Editor Witt spent Tuesday here enjoying the rain!

### Poor Milk

is often thought to be responsible for an infant's loss in weight or general poor health. The cause is that the child has worms. They get the nourishment in the food and the baby starves, actually starves. White's Cream Vermifuge expels the worms and nourishes the child, safe and sure. Price 25c sold by P. H. Franklin.

Atchison Globe: Every man should at least be truthful enough to admit that at times he is a liar
